

氏名:〇〇 〇〇

| 科目の分類   | 科目コード  | 科目名                          | 科目名(和訳)    | 履修学年 | 単位数 |
|---------|--------|------------------------------|------------|------|-----|
| ①建築設計製図 | ARC101 | Design Fundamentals 1        | 設計基礎1      | 1    | 3   |
|         | ARC102 | Design Fundamentals 2        | 設計基礎2      | 2    | 3   |
|         | ARC103 | Design Fundamentals 3        | 設計基礎3      | 2    | 3   |
|         | ARC104 | Introduction to 2-D Graphics | 2Dグラフィック入門 | 1    | 1   |
|         | ARC205 | Introduction to 3-D Graphics | 3Dグラフィック入門 | 1    | 1   |
|         | ARC106 | Architectural Studio 1       | 建築系スタジオ1   | 2    | 5   |
|         | ARC207 | Architectural Studio 2       | 建築系スタジオ2   | 2    | 5   |
| 小 計     |        |                              |            |      | 21  |
| ②建築計画   | ARC108 | Introduction to Architecture | 建築学序論      | 1    | 3   |
|         | ARC109 | History of Architecture 1    | 建築史1       | 2    | 3   |
|         | ARC110 | History of Architecture 2    | 建築史2       | 2    | 3   |
|         | 小 計    |                              |            |      |     |
| ③建築環境工学 | ARC111 | Environmental Design 1       | 建築環境デザイン1  | 2    | 3   |
|         | ARC112 | Environmental Design 2       | 建築環境デザイン2  | 3    | 3   |
|         | ARC211 | Acoustics and Lighting       | 音響と照明      | 3    | 3   |
|         | 小 計    |                              |            |      |     |
| ④建築設備   | ARC113 | Building System 1            | 建築設備1      | 3    | 3   |
|         | ARC114 | Building System 2            | 建築設備2      | 3    | 3   |
|         | ARC115 | Electrical Services          | 電気設備       | 3    | 2   |
|         | 小 計    |                              |            |      |     |
| ⑤構造力学   | ARC216 | Architectural Construction   | 建築構造       | 2    | 3   |
|         | ARC117 | Building Structures 1        | 建築構造工学1    | 3    | 3   |
|         | ARC218 | Building Structures 2        | 建築構造工学2    | 3    | 3   |
|         | ARC219 | Soil Mechanics&Foundation    | 基礎と地盤      | 2    | 2   |
| 小 計     |        |                              |            |      | 11  |

| 科目の分類        | 科目コード  | 科目名                                            | 科目名(和訳)    | 履修学年 | 単位数 |
|--------------|--------|------------------------------------------------|------------|------|-----|
| ⑥建築一般構造      | ARC220 | Reinforced Concrete Structure in Architecture1 | 鉄筋コンクリート造1 | 2    | 2   |
|              | ARC221 | Reinforced Concrete Structure in Architecture2 | 鉄筋コンクリート造2 | 2    | 2   |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        | 小 計                                            |            |      | 4   |
| ⑦建築材料        | ARC222 | Materials and Structure Testing Laboratory     | 建築材料及び構造実験 | 2    | 2   |
|              | ARC201 | Construction Materials and Assemblies1         | 建築材料・構法1   | 2    | 2   |
|              | ARC301 | Construction Materials and Assemblies2         | 建築材料・構法2   | 3    | 2   |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        | 小 計                                            |            |      | 6   |
| ⑧建築生産        | ARC223 | Building Construction Methods                  | 建築施工       | 3    | 3   |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        | 小 計                                            |            |      | 3   |
| ⑨建築法規        | ARC224 | Law for Architects and Engineers               | 建築法規       | 2    | 2   |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        | 小 計                                            |            |      | 2   |
| ⑩その他<br>(適宜) | ARC225 | Summer Project1                                | サマープロジェクト1 | 2    | 1   |
|              | ARC226 | Summer Project2                                | サマープロジェクト2 | 3    | 1   |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        |                                                |            |      |     |
|              |        | 小 計                                            |            |      | 2   |
| 全体           |        | 総単位数                                           |            |      | 75  |
